

## Erratum

In the article entitled “Microbiological Factors and Inflammatory Cytokines in Acute and Chronic Rhinosinusitis” by Başak Sema et al., published in the April 2021 of the European Journal of Rhinology and Allergy (*Eur J Rhinol Allergy*. 2021;4(1):16-20), the authors erroneously stated that the study has received no financial support while the study was supported by the BAP Project of Aydın Adnan Menderes University.

Author’s correction request was evaluated and accepted by the Editorial Board. Thus, the article has been corrected accordingly and updated in the journal’s archive. You may access the updated article via the link below.
